Santa's on a Roll...Aboard Metrolink's Holiday Toy Express Train!

Santa will be trading in his sleigh for a Metrolink train as he travels to San Bernardino County stations aboard the Holiday Toy Express on December 17 and 18. (See schedule below).

The Holiday Toy Express is a 450-ton Metrolink train decorated with giant glittering ornaments, animated displays, and more than 50,000 twinkling lights.

The train will travel to Metrolink stations to present a free live musical stage show at each stop. After the show, kids from 1 to 92 have the opportunity to meet jolly Santa and his friends when they alight from the train.

Additionally, the Holiday Toy Express supports the Southern California Firefighters' Spark of Love Toy Drive. Audience members are asked to bring a new, unwrapped toy for the drive, which collects and distributes toys to needy children. All donated toys will remain in each city to be distributed to children there.
